NEED TO REMAIN IN PRISON.

Supreme Court Affirms Judgment of the Trial Court.

The appeal to the Supreme Court in the case of the state of Utah vs. John W. Neal resulted in the judgment of the trial court being affirmed by the appellate court.

Last October, it will be remembered, Neal was tried on the charge of infidelity and adultery, knowing a woman under the age of consent. The trial court, three days, County Attorney Callie presided, and the defendant was represented by Attorneys J. M. Lockhart and H. S. Townsend. The jury brought in a verdict of guilty as charged in the indictment and Neal was sentenced to serve five years in the State Penitentiary. An appeal was taken to the Supreme Court. In the pointed heat of defendant's counsel, it was argued that the evidence was too heavy, and that the trial court erred in refusing the same. F. W. Merchant, upon the challenge of County Attorney Callie, the opinion of the Supreme Court, which was written by Chief Justice Miner and concurred in by Justices Bascom and Berrett, finds no reversible error in the record of the trial court. The judgment was affirmed and Neal will remain in the State prison until he completes the sentence imposed upon him by Judge Norrell.

SAVING JOHN CLARK IN TRUCKEE.

Todd's Herald contained quite a lengthy article concerning John Clark of Nevada, the woman he married some months ago. A man named H. C. Davis of Salt Lake avers that the woman who was a widow and a very poor person, was married by John Clark in a secret ceremony, claiming that she has committed bigamy.

In support of his charge that Mrs. Clark had committed bigamy, Mr. Davis gives the marriage records in the county clerk's office, showing that John Clark, aged 21 years, of Upton, and Emily A. Atkinson, aged 18, also of Upton, were getting a civil marriage from Deputy Clerk Knorr on April 2nd and were married the following day at the temple by Bishop John H. Winter, in the presence of Bishop George R. Rector and Bishop George H. Taylor, all of whom certified in the marriage over their signatures.

John Clark was down from Upton Tuesday and when interviewed on the matter stated that he did not know that the woman was ever married to another, and he seemed very much worked up over the affair. He says that Dealer is not the best kind of a man; that in early days he induced a woman who used to live here to run away with him to California. Dealer himself lived here some time. According to County Attorney Christensen of Salt Lake County, Bishop Clark has committed no crime under the law, and it is given out uniformly that the Salt Lake attorney will not prosecute.

SAVING TWO FROM DEATH.

"Our little daughter had an appendicitis attack of whooping cough and bronchitis," writes Mrs. W. K. Maryland, of Armonk, N. Y., "but, when all other remedies failed, we saw her life by Dr. King's New Discovery. Our case, which was consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Dr. King's New Discovery is a safe and effective remedy.
